

# Why choose BWB to protect your bucket?

- 10 times longer life than hard facing
- Quick and easy to weld - Stitch and Plug weld
- Easy to cut and form
- Low cost per sq.inch
- Thin and lightweight 0.07lbs per sq.inch
- Deadpan design for material

Guard your equipment your own way:  
Cut to size, Bend to shape, and Weld anywhere you need it.

Length	Weight (KG)	Weight (LBS)
9.45" x .393" x 6"	1.8	3.97
9.45" x .393" x 36"	11.05	24.36
9.45" x .393" x 48"	14.73	32.47
9.45" x .393" x 60"	18.30	40.34
